

Business Checking Accounts

Small Business Account

- This account is designed for new businesses and for business accounts with low activity
- \$100 minimum deposit to open account
- If an average balance of \$100 is not maintained, a \$5.00 per month fee applies

Business Analysis Account

- This account is designed for business accounts with average or high volume levels
- \$100 minimum deposit to open account
- Average balance of \$100 is required
- Monthly fees vary depending on the services provided by Farmers State Bank. You will receive an earnings credit based on your average daily collected balance that will offset part or all of your monthly charges

Organizational/Club/Non-Profit Account

- \$100 minimum deposit to open account
- No minimum balance required
- No monthly charges
- No per item charges
