IMPORTANT TERMS OF OUR HOME EQUITY LINE OF CREDIT

This disclosure contains important information about our HELOC (the "Plan" or the "Credit Line"). You should read it carefully and keep a copy for your records.

AVAILABILITY OF TERMS. All of the terms of the Plan described herein are subject to change. If any of these terms change (other than the ANNUAL PERCENTAGE RATE) and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees that you paid to us or anyone else in connection with your application.

SECURITY INTEREST. We will take a security interest in your home. You could lose your home if you do not meet the obligations in your agreement with us.

POSSIBLE ACTIONS. Under this Plan, we have the following rights: We can terminate your account, require you to pay us the entire outstanding balance in one payment, and charge you certain fees if:

- (a) You engage in fraud or material misrepresentation in connection with the Plan.
- (b) You do not meet the repayment terms of the Plan.
- (c) Your action or inaction adversely affects the collateral for the Plan or our rights in the collateral.

We can refuse to make additional extensions of credit or reduce your credit limit if:

- (a) The value of the dwelling securing the Plan declines significantly below its appraised value for purposes of the Plan.
- (b) We reasonably believe you will not be able to meet the repayment requirements due to a material change in your financial circumstances.
- (c) You are in default of a material obligation of the Plan.
- (d) Government action prevents us from imposing the annual percentage rate provided for under the Plan or impairs our security interest such that the value of the interest is less than 120 percent of the credit line.
- (e) A government authority has notified us that continued advances would constitute an unsafe business practice.
- (f) The maximum annual percentage rate is reached.

The initial agreement permits us to make changes to the terms of the Plan at specified times or upon the occurrence of specified events.

Fees and Charges. In order to open and maintain an account, you must pay certain fees and charges.

Lender Fees. The following fees must be paid to us:

Description	Amount	When Charged
Origination Fees:	\$250.00	At Account Opening
Annual Charge:	\$50.00	Annually
NSF Handling Fee:	\$15.00	At the time a payment is returned to us for non-sufficient funds
Stop Payment Fee:	\$30.00	At the time you request a Stop Payment

Late Charge. Your payment will be late if it is not received by us within **15 days after the "Payment Due Date" shown on your periodic statement.** If your payment is late we may charge you 5.000% of the unpaid amount of the payment.

Third Party Fees. You must pay certain fees to third parties such as appraisers, credit reporting firms, and government agencies.

We also will pass on any third party charges as part of an annual review of your account, in amounts estimated to be similar to those disclosed below. These third party fees generally total between \$36.00 and \$503.00. We estimate the breakdown of these as follows:

Description	Amount	When Charged
Credit Report Fee:	\$52.00	At Account Opening
Recording Fees:	\$30.00	At Account Opening
Appraisal Fee:	\$300.00	At Account Opening
Title Search :	\$100.00	At Account Opening
Flood Determination Fees:	\$15.00	At Account Opening
E-Recording Fee:	\$6.00	At Account Opening

PROPERTY INSURANCE. You must carry insurance on the property that secures the Plan.

MINIMUM PAYMENT REQUIREMENTS. You can obtain advances of credit during the following period: Term of loan - Until Maturity (the "Draw Period"). Your Regular Payment will equal the amount of your accrued FINANCE CHARGES. You will make 35 of these payments. You will then be required to pay the entire balance owing in a single balloon payment. If you make only the minimum payments, you may not repay any of the principal balance by the end of this payment stream. Your payments will be due monthly. Your "Minimum Payment" will be the Regular Payment, plus any amount past due and all other charges. An increase in the ANNUAL PERCENTAGE RATE may increase the amount of your Regular Payment.

MINIMUM PAYMENT EXAMPLE. If you made only the minimum payment and took no other credit advances, it would take 3 years to pay off a credit advance of \$10,000.00 at an ANNUAL PERCENTAGE RATE of 7.750%. During that period, you would make 35 monthly payments ranging from \$59.45 to \$65.82 and one final payment of \$10,065.82.

TRANSACTION REQUIREMENTS. The following transaction limitations will apply to the use of your Credit Line:

Credit Line HELOC Check, In Person Request and Telephone Request Limitations. The following transaction limitations will apply to your Credit Line and the writing of HELOC Checks, requesting an advance in person and requesting an advance by telephone.

Minimum Advance Amount. The minimum amount of any credit advance that can be made on your Credit Line is \$500.00. This

HOME EQUITY LINE OF CREDIT (Continued)

means any HELOC Check must be written for at least the minimum advance amount.

TAX DEDUCTIBILITY. You should consult a tax advisor regarding the deductibility of interest and charges for the Plan.

VARIABLE RATE FEATURE. The Plan has a variable rate feature. The ANNUAL PERCENTAGE RATE (corresponding to the periodic rate), and the minimum payment amount can change as a result. The ANNUAL PERCENTAGE RATE does not include costs other than interest.

THE INDEX. The annual percentage rate is based on the value of an index (referred to in this disclosure as the "Index"). The Index is the Wall Street Journal U.S. Prime Rate. Information about the Index is available or published in the Wall Street Journal. We will use the most recent Index value available to us as of the date of any annual percentage rate adjustment.

ANNUAL PERCENTAGE RATE. To determine the Periodic Rate that will apply to your account, we add a margin to the value of the Index, then divide the value by 365 days. To obtain the ANNUAL PERCENTAGE RATE we multiply the Periodic Rate by the number of days in a year (366 during leap years). This result is the **ANNUAL PERCENTAGE RATE**. A change in the Index rate generally will result in a change in the ANNUAL PERCENTAGE RATE. The amount that your ANNUAL PERCENTAGE RATE may change also may be affected by the lifetime annual percentage rate limits, as discussed below.

Please ask us for the current Index value, margin and annual percentage rate. After you open a credit line, rate information will be provided on periodic statements that we send you.

FREQUENCY OF ANNUAL PERCENTAGE RATE ADJUSTMENTS. Your ANNUAL PERCENTAGE RATE can change on the 1st of each month. There is no limit on the amount by which the annual percentage rate can change during any one year period. However, under no circumstances will your ANNUAL PERCENTAGE RATE exceed 18.000% per annum or, go below 1.000% per annum at any time during the term of the Plan.

MAXIMUM RATE AND PAYMENT EXAMPLE. If you had an outstanding balance of \$10,000.00, the minimum payment at the maximum ANNUAL PERCENTAGE RATE of 18.000% would be \$152.88. This ANNUAL PERCENTAGE RATE could be reached at the time of the 1st payment.

PREPAYMENT. You may prepay all or any amount owing under the Plan at any time without penalty.

HISTORICAL EXAMPLE. The example below shows how the ANNUAL PERCENTAGE RATE and the minimum payments for a single \$10,000.00 credit advance would have changed based on changes in the Index from 2012 to 2026. The Index values are from the following reference period: as of first business day of February. While only one payment per year is shown, payments may have varied during each year. Different outstanding principal balances could result in different payment amounts.

The table assumes that no additional credit advances were taken, that only the minimum payments were made, and that the rate remained constant during the year. It does not necessarily indicate how the Index or your payments would change in the future.
